

LONGRIDGE CAMP AND RETREAT CENTER 2011 – *THAT GIRL THNG*

Dear Minister, Parent or Student:

Welcome to Longridge Camps! I am excited that you have chosen to be a part of one or more of our 11 camps and retreats. The gates of Longridge will soon be open for your preferred camp experience where excitement, intense Bible study and dynamic worship await your students.

In an effort to enable the registration process to go smoothly and quickly once you arrive; it is extremely important you *read through this packet carefully and thoroughly.*

New registration policies are outlined in this packet that must be followed. You have full permission to print out this entire packet as you deem fit to distribute to students and/or their parents.

Prior to Camp:

There is one release form in this packet:

- ***Medical Information and Parents Consent to Emergency Care***

Both students and leaders must complete this form. **It must be signed by a legal guardian, and in our office at least three weeks before your camp begins.** There will be a *\$10 late fee per person* charged to your account balance for each form not received by that date. I suggest you mark your calendar now with the date this form must be received in our office.

One final form must be completed and be in our office three weeks before your arrival:

- ***Camp Attendees.*** You may fax/email this form to the number indicated.

Some camps charge a *cancellation* fee in addition to loss of payment if a student decides not to attend after being registered. We do not. We do however ask your co-operation in notifying us when this occurs. Longridge desires to fill every bunk providing as many as possible a life-changing encounter with Christ. *Last minute cancellations* fail to give us the opportunity to do that. Once the *Camp Attendees* form is submitted, you may add additional campers if room is available by contacting us. The *non-refundable payment* **cannot be applied** to your group balance if a student is not able to attend. If a student takes the original students spot, the non-refundable can be transferred to the new student.

You may start your registration process by completing the requested information for each student found on our *online registration* (www.camplongridge.com) and submitting the non-refundable payment of **\$80** per student and leader. Should you prefer, you may use the registration form found in this packet and submit it by mail. (Online registration is **preferred** and will speed up registration process) No student is secured a place in a camp *until* the deposit is received either on-line or by mail.

Please pray earnestly for the staff and the hundreds of students who will be attending That Girl Thing this November!

LONGRIDGE CAMPS MISSION STATEMENT

To scripturally challenge students concerning the role of Christ in their life that they may live for His pleasure and unto God's purpose, through:

- Dynamic Experiences of Worship
- Role Modeling of our tremendous Staff
- Challenging and in-depth Bible Study
- Exciting Character and Team Building Activities
- Preaching on relevant Topics

LONGRIDGE CAMPS STATEMENT OF FAITH

The sole basis of our beliefs is the Bible. We believe it to be the infallible and inerrant Word of God verbally and fully inspired by the Holy Spirit. We believe in the virgin birth, sinless life, atoning death and triumphant resurrection of Jesus Christ. We believe in future judgment and man's eternal existence after death in Heaven or Hell. We believe Acts 20:21 that teaches that man is only saved by exercising "repentance toward God and faith in the Lord Jesus Christ." With all the saints we look forward to the second coming of Christ to earth - personally, visibly and bodily - to complete the eternal plan of God that was formed from the foundation of the world.

FRANK SHIVERS EVANGELISTIC ASSOC. MISSION STATEMENT

Dwight L. Moody said, "I look upon the world as a wrecked vessel, its ruin coming nearer and nearer. God has given me a lifeboat and said, "Moody, Save all you can." I have heard the same call and am seeking to get all in "the life boat" I possibly can before our Lord tells me it's time to dock. This ministry is dedicated to the evangelism of the lost, the edification of the saved, and the exaltation of our wonderful Savior.

HOUSING AND FEEDING

Housing Accommodations:

All students will lodge in cabin style units. Cabins 1 – 8 house 16 people each while cabins 9 – 10 house 26 people each. These cabins have been recently renovated (except cabins 9 – 10 which are fairly new). Each is air conditioned and equipped with bunk beds complete with showers, sink and toilet. Sleeping bags are recommended for bedding. However if you prefer bringing sheets they should be *twin size*.

Student leaders (pastors, student ministers, counselors) will stay in our Prophets Lodge. This unit is motel style with all the amenities of a motel except for bed linens and towels. Lodge rooms are equipped with one double size bed and one set of bunk beds except for *Joel* which has one double bed and two sets of bunk beds. *Jeremiah* and *Micah* have a queen size bed instead of a double. Sleeping bags or sheets should be brought with you.

Unfortunately we do not offer married housing at this time nor housing for small children. If you and your spouse attend please pack accordingly.

Camp policy prohibits students visiting the Lodge unless deemed an emergency. Camp policy prohibits leaders from being housed in the cabin units.

Meals:

All meals will be served in our dining facility at the times indicated on our daily schedule. Our canteen will open three times a day to make available drinks, candy, chips, shirts and gift items. These are an additional expense.

No brown bagging allowed. Please do not bring snacks for your students to camp. We depend on canteen receipts to help keep camp cost down.

LONGRIDGE CAMP STAFF

Our That Girl Thing weekends utilize a staff of 20 college students. These students are selected to serve on our staff based upon their devotion to the Lord, exemplary lifestyle, and involvement in the local church, biblical convictions and giftedness. It is our goal in their selection that your students will experience the highest quality of leadership and spiritual mentorship.

Longridge Staff are thoroughly investigated by use of the SLED background checking system and their references.

Longridge Staff are trained intensely for a week in preparation for this ministry. This training involves camper evangelization, leadership roles, rules, team activities, water front operations and biblical teaching about servanthood.

Staffers are assigned to each cabin and are responsible for the students of that cabin all week. He/she is their spiritual shepherd and overseer and seeks to foster growth both spiritually and emotionally in them through devotions, play, example and sharing.

FREQUENTLY ASKED QUESTIONS

Q: What is my role as the student minister to the Staffer?

A: Join your heart with him/her by taking time to get to know them. Share specifically what your burden is for your campers whether it be for salvation , renewal or a deeper spiritual walk. Communication is a major key to an enjoyable and productive camping experience. Don't feel threatened by their leadership. Remember they are here to under gird you and help your students.

Q: What will I be doing while my campers are involved with activities?

A: You have complete control over your schedule. You do not have to participate but we welcome you too as much as you like!

Q: Will I be able to join in with my students in what they do?

A: Absolutely! You are welcome to be involved in as much or as little of the program as you desire. If you need time to kick back and relax, that's okay.

Q: Are we required to have leaders come with our students?

A: While we welcome leaders, many churches are unable to send leaders with their students to Longridge. Our staff makes sure that your students are well supervised and cared for. Please make sure to give accurate contact numbers.

Q: What are the housing accommodations for youth pastors?

A: Pastors, Youth Pastors and adult leaders will be housed in a hotel-like lodge at Longridge. *Please note that the leaders will probably be in the room with other leaders, possibly from other churches.*

Q: What should I do if I see Camp Rules violated?

A: If you see camp rules being violated by students that are not from your church, please *notify a staffer* immediately and we will address the situation.

Q: Where is the closest Walmart?

A: One of our more popular questions! Exit the gate of Longridge and take a right. Proceed all the way to the stoplight in Lugoff (15 minutes). Turn left and Walmart/K-mart will be across the bridge.

Q: What time do you lock the gate at night?

A: The gates lock at 11:00pm for safety. If you will arrive back at camp after 11:00pm, please notify our staff supervisor to make arrangements.

Q: Do you have internet access I can use?

A: We do offer **free wi-fi coverage** in most of our buildings. Just bring a laptop with a wi-fi card and jump on the net!

Q: Do you have phone access for leaders?

A: If you need to contact a parent of your student, let us know and we will give you phone access. For all other calls, there is a pay phone at the lodge. Cell phone service is sporadic but most phones can get a signal somewhere on camp property.

Q: Can I bring my children to stay with me in the lodge?

A: Unfortunately, we only have room for church leaders and chaperones in our adult housing.

FREQUENTLY ASKED QUESTIONS

GENERAL

Q: Does my son/daughter need medical insurance?

A: Longridge provides limited coverage. Medical charges in excess of our policy coverage is to be covered by campers personal insurance.

Q: How safe is your camp?

A: Our first priority is camper safety and we go the 'second mile' to make sure what we provide is done in safety. Certified lifeguards are always on duty during water front activities. An EMS team is stationed two miles from our camp.

Q: If a camper has been sick can he/she still attend?

A: Camp policy requires that a period of 24 hours must elapse without a fever before a camper can attend. Please protect your students and a host of others from the spread of a virus by not allowing any sick person to come with you. If you question whether one should attend or not please first talk with our camp nurse.

Q: What about prescription medicine?

A: It must be checked in with the camp staff upon registration at camp. Please bring all medicine in a zip-lock bag with name clearly written on it. Include inside the bag typed instructions concerning dosage and time it should be administered.

Q: Why do you require picture identification?

A: Safety is our foremost concern here at Camp Longridge and having a picture ID of students on hand could save valuable time in event of an emergency.
